## **Catalyst Consulting to Relocate to Wichita, KS**

**PITTSBURGH, PA – September 1, 2003** – Catalyst Consulting Partners LLC, a process improvement, organization development and strategic planning firm, today announced that it would relocate its headquarters to Wichita, KS effective immediately.

“Earlier this year, my husband and Catalyst co-founder Glen Waisner accepted the offer of one of our clients to become the President of The Hayes Company, Inc.,” said Cynthia Waisner, Catalyst’s co-founder and Managing Partner. “Since Glen has made a multi-year commitment to The Hayes Company, it makes sense for me to relocate the Catalyst business to Wichita to keep our family intact. The only impact that this move will have on the Catalyst business is to change the amount of travel time necessary to reach some of our existing clients.”

Catalyst’s new address will be: 1136 North Linden Circle, Wichita, Kansas. The toll free telephone number remains 1-877-400-3283.
